COLLOQUIUM,
PRESENTATIONS,
& CONFERENCES

Invited Talks

American Museum of Natural History Astrophysics Seminar	2020
Carnegie Department of Terrestrial Magnetism Astronomy Seminar	2019
Harvard University Stars & Planets Seminar	2019
Princeton University Envision Conference (Ethics & Space Policy)	2019
University of Wisconsin–Madison Colloquium	2019
Pomona College Colloquium	2019
University of the Virgin Islands Colloquium	2019
Harvard University Exoplanet Lunch Series	2019
NASA’s Kepler & K2 SciCon V (poster award talk)	2019

NASA's Kepler & K2 SciCon V (2 breakout session talks)	2019
Harvard University Institute for Theory and Computation	2017
Harvard University Exoplanet Lunch Series	2016
UCSC Supercomputing Laboratory for Undergraduates	2015

Contributed Talks & Posters

NASA Goddard Extrasolar Planets Seminar	2019
University of California Santa Cruz Planetary Lunch Series	2019
University of Michigan Star and Planet Formation Series	2019
Princeton University Thunch Series	2019
NASA's Kepler & K2 SciCon V (poster presentation)	2019
Emerging Researchers in Exoplanet Science IV	2018
Princeton University Seminar (8 talks)	2014–2018
Dwarf Stars & Clusters with K2 Conference	2018
Emerging Researchers in Exoplanet Science III (poster)	2017
Princeton University Research Day	2017
Workshop on Common-Envelope Evolution at the Flatiron Institute	2017
223rd AAS Conference (poster)	2014
Aspen Center for Physics Conference: Physical Applications of Millisecond Pulsars	2013
Emerging Researchers National Conference in STEM	2012
Annual Western Conference for Undergraduate Women in Physics	2012
Annual Meeting of the California-Nevada Section of the APS	2011
Society for Advancement of Chicanos & Native Americans	2011
Annual Undergraduate Research Symposium (poster)	2011
VERITAS Collaboration Meeting	2011
University of California–Santa Cruz Science Symposium (poster)	2011
West Coast Conference for Undergraduate Women in Physics	2010
University of California–Santa Cruz Astronomy Seminar	2010
Annual Undergraduate Research Symposium (poster)	2009
West Coast Conference for Undergraduate Women in Physics (UCSC)	2009

LEADERSHIP & MENTORING	Founder, Princeton University Astrophysics Writing Group	2018
	Session Chair, Princeton Research Day	2017
	Coordinator, Princeton Thunch Speaker Series	2015
	Founder, Graduate Astrophysics Seminar Hour	2014
	Committee Member, Lamat Research Internship Admissions Committee	2014
	Founder, UCSC Undergraduate Astrophysics Journal Club	2011
	Co-organizer, West Coast Conference for Undergraduate Women in Physics	2009
	Committee Member, Gavilan College Accreditation Task Force Committee	2008
	President, Gavilan College Honor Society	2008

RESEARCH	Advisor: Atirath Dhara (high school student; now undergrad at UCSC)	2017 – 2019
ADVISING	Advisor: Tyler Barna† (undergrad at Rutgers University)	2018 – 2019
EXPERIENCE	Co-advisor: Jose A. Lopez (undergrad at UCSC)	2013 – 2014

† Denotes students whose project led to or will soon lead to a refereed publication

TEACHING	Guest Instructor , Pomona College	Spring 2019
	<i>Stellar Structure & Evolution</i> (ASTR123) — two weeks of instruction	
	Assistant Instructor , Princeton University	Spring 2015
	<i>The Universe</i> (AST 205)	
	Math & Physics Head Instructor , Mount Madonna School	2012 – 2013
	<i>Advanced Placement Calculus II, Advanced Placement Electromagnetism, &</i>	

	<i>Introductory Programming</i> Physics Section Leader & Lecturer , UCSC Academic Excellence Program <i>Introduction to Waves & Optics, Introduction to Elementary Mechanics, &</i> <i>Introduction to Electricity & Magnetism</i>	2009 – 2011
OBSERVATIONS	ANU 2.3-m telescope at Siding Spring Observatory (15 nights) VERITAS Cherenkov array at Whipple Observatory (12 nights) Walter Baade telescope at Las Campanas Observatory (2 nights)
